Whose Say-so is Best?

With nearly all medicines put up for sale through druggists, one has to take the maker's word as to their curative value. Of course, such testimony is not that of a disinterested party and accordingly is not to be given the same credit as if written from disinterested sources. Dr. Pierce's medicines, however, ever form a single and therefore striking exception to this rule. Their claims to the confidence of invalids does not rest solely upon their makers' say-so or praise. Their ingredients are matters of public knowledge, being printed on each separate bottle wrapper. Thus invalid sufferers are taken into Dr. Pierce's confidence. Scores of leading medical men have written enough to fill volumes in praise of the curative value of the several ingredients entering into these well-known medicines.

Amongst these writers we find such noted names as Prof. Finley Ellingwood, M.D., of Boston Medical College, Chicago; Prof. H. H. H. of the same city; Prof. John S. Smith, M.D., of Cincinnati, Ohio; Prof. John King, M.D., of New York; Dr. Bartholomew, M.D., of the same city; and scores of others equally eminent.

Dr. Pierce's Favorite Prescription cures all cases of female weakness, prostration, irregularities, and corrects irregularities, cures painful periods, drives out disordered and remaining druggists, sometimes known as pelvic catarrh and a multitude of other diseases peculiar to women. It is said to be a "greatest" and a "secret" medicine, but the "Favorite Prescription" of a regularly educated physician, of large experience in the cure of women's peculiar ailments, who frankly and confidently takes his patients into his full confidence by telling them just what his "Favorite Prescription" is composed of. Of no other medicine put up for women's special ailments and sold through druggists, can it be said that the maker is not afraid to deal thus frankly, openly and honorably, by letting every patient know the same name exactly.

Sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is guarded as a sacred secret, and confidential confidences are protected by professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y.

How to preserve health and beauty is told in Dr. Pierce's Common Sense Medical Adviser. It is free. For a paper-covered copy send Dr. R. V. Pierce, Buffalo, N. Y., 21 one-cent stamps to cover mailing only; in cloth binding \$1.00. Dr. Pierce's Pellets cure constipation.

KEEP YOUR HEAD UNCOVERED.

The Constant Wearing of a Hat Propagates Dandruff Germs.

There are many men who wear their hats practically all the time when awake, and are blessed with a heavy shock of hair; yet if the scalp of these same men once became infested with dandruff germs, the parasites would multiply all the quicker for lack of air. Baldness would ensue as the final result. New-hair's Herpicide kills these germs and stimulates healthy hair to abundant growth. Herpicide is a pleasant hair dressing as well as a dandruff cure and contains not an atom of injurious substance. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

Two sizes—50 cents and \$1.00. E. S. Leadbeater & Sons, Special Agents.

Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn lumpy growths back to flesh again. That is impossible! I can now surely kill the pains and pangs of this dreadful disease.

In Germany—a Chemist in the City of Brunswick—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made—a perfected, dependable prescription. Without that last ingredient, the remedy would be a mere name. Many cases of Rheumatism, but now, at last, I uniformly cure all curable cases of this terrible disease. Those who have the grandeur of Rheumatism, find in Rheumatic Remedy, sent to dissolve and pass away under the action of this remedy as freely as does any other. There is now no need—no need—no need to suffer longer without help. We sell, and in confidence recommend

MORGAN ANXIOUS.

J. Pierpont Morgan, the New York financier, went to Washington in his private car last night and went immediately to the White House, where he was in conference with President Roosevelt for more than two hours.

The object of Mr. Morgan's visit was to urge the President to take some action to "allay the public anxiety now threatening to obstruct railroad investments and construction." Mr. Morgan pointed out to the President that the financial interests of the country are greatly alarmed at the attitude of the administration toward corporations, and particularly toward the railroads.

At Mr. Morgan's earnest request President Roosevelt has agreed to have a conference with four leading railroad presidents, Messrs. McCrea, of the Pennsylvania; Newman, of the New York Central; Mellon, of the New York, New Haven and Hartford, and Hughitt, of the Chicago and Northwestern, to determine if some agreement can be reached as to the relations between the railroads and the administration.

It is probable that E. H. Harriman, head of the Harriman lines, may also participate in the conference, which, it is understood, will take place at the White House some time the latter part of this week. After boarding his train shortly after midnight to return to New York, Mr. Morgan dictated the following statement:

"At the request of many business men, before leaving for Europe I came to Washington to see the President to discuss the present business situation, particularly as affecting the railroads. I suggested to the President that it would be greatly in the public interest if he would see Mr. McCrea, Mr. Newman, Mr. Mellon and Mr. Hughitt, and confer with them as to what steps might be taken to allay the public anxiety as to the relations between the railroads and the government. The President said he would be glad to see the gentlemen named with this end in view."

President W. A. Garrett, of the Seaboard Air Line Railroad, who is on a regular inspection trip, in an interview in Atlanta yesterday said the railroads of this country have now reached the financial danger line, on account of adverse legislation, which has already affected their incomes, and which promises to still further curtail them. Railroads so affected, he said, will not be able to pay their operating expenses, and the interest on their bonds if present conditions continue.

"It may mean," he continued, "that many railroads will pass into the hands of receivers unless these penalties are modified. For the seven months of the present fiscal year the Seaboard Air Line has not been able to make expenses and meet interest on its bonds. This has been due to the Atlanta and Birmingham division of the Seaboard since it was opened for service, three years ago. This is the road in which there is no watered stock."

Mr. Garrett said antagonism of the people was responsible for the conditions. He said the Seaboard had not considered curtailing its train service, but it would be impossible to make any improvements whatever.

STRIKE CONDITIONS IN PARIS.

M. Jaures, the socialist leader, interpellated the government in the French chamber of deputies yesterday regarding the strike of the electrical employees. He asked the government why it had threatened to use military engineers to run the electric plants. M. Clemenceau, in responding, said:

"M. Jaures has told us that strikes are war. They are a war, not between two adversaries, but between two adversaries on the backs of the passers-by. No government, were it M. Jaures' own, could permit such a war. He asks us to give strikers a free course, and would know by what right we interfere. I respond most simply: By the right of society to existence." (Applause.)

The minister of justice, M. Guyot-Dessaigne, introduced a bill in the Chamber of Deputies yesterday, authorizing State officials, with the exception of the police, military and legal officers, to form unions and providing that severe penalties and dismissal shall be

The News—No Pure Drug Cough Cure Laws would be needed, if all Cough Cures were like Dr. Shoop's Cough Cure. It has been for 20 years. The National Law now requires that if any poison enters into a cough mixture, it must be printed on the label or package.

For this reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's label, and none in the medicine, else it must be law on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and see. No poison marks there! You can always be on the safe side by demanding Dr. Shoop's Cough Cure. Simply refuse to accept any other. Sold by E. S. Leadbeater & Sons, druggists.
